Who We Are

Sama Sojah Cares Ug. Ltd. is a Ugandan social impact organisation established to nurture hope, empower people and transform underserved communities. The organisation uses creative arts, youth mobilisation and practical community action to support children, young people, women, families and vulnerable groups with dignity and purpose. Formal incorporation in June 2026 institutionalised a documented community outreach platform led since 2019 through music, storytelling, public health messaging, environmental advocacy and youth engagement.
